& Summerland Mediums*

We are honored to experience the Oneness Blessing given by Debbie Losee after the Meditation.

The *Deeksha Blessing or Oneness Blessing* is a direct transfer of intelligent sacred energy that causes the heart to open, heals relationships, quiets the chatter of the mind, opens the doors to higher states of awareness, and initiates a process of *Awakening into Oneness* where there is no longer a sense of separateness.

The Oneness Blessing experience is a non-denominational, nonreligious and yet deeply profound process of transferring Divine Energy to help you raise your level of consciousness. Receive the *peace* and *grace* of the Oneness Blessing and contribute to the *shift in human consciousness* as we move from suffering to unconditional freedom. Experience a *quieting* of the mind, *listening* with the heart and *clarity* in the present moment. Open to an even more compassionate, loving heart and experience the essence of your *Being*.

Gift yourself this New Year with the healing, centering, peace-giving, and loving transmission from the Divine Source as we enter the New Year and also celebrate Summerland's 17th Anniversary!

You also will get the chance to take part in another exciting Spiritualist trivia quiz contest created by Frank Kotowski!

Pictures from last year's Anniversary Party. Plenty of food, great conversations, & dancing!
