Rain date June 6

Meet at the Gazebo right off the parking lot, close to the ticket booth!

Come and experience the energies of **Mother Earth** and learn to touch in with all manner of **Nature Spirits** and **Elementals**. We will walk the beautiful grounds of Bayard Cutting Arboretum and feel, sense, and communicate with **Earth energies** and all manner of **Spirit Beings**, the real world that we are part of and often ignore in our busy and hectic 3D lives. We also will experience the power of tree energy by visiting an **Elder Tree** and connecting to its trunk and branches. The healing energies are truly AMAZING! **Come and give thanks to Mother Earth spirits at this awakening of the season!** *Bring your pendulum or necklace and a notebook!*

The love offering for this special gathering is \$5 per person. Note that there is a NYS Entrance Fee of \$8 per vehicle.

Oneness Blessing will be given by Debbie Losee & Frank Kotowski

Bring a folding chair, wear comfortable clothing, a mask, a sweater, and hat. There is a wonderful café on the grounds and you may want to have a nice lunch here.
