**Robin Hodson** is an English medium with over 35 years' experience serving Spiritualist churches and centres in his native Britain and in the United States, Australia, Canada, Finland, Iceland and Sweden, offering public platform presentations of mediumship. Robin is an experienced tutor in the various forms of mediumship, and his main areas of interest are trance mediumship and physical mediumship, having run physical circles for the past 30 years.

This workshop will be an illustrated lecture and there will be time at the end to ask questions about the phenomena.
