*Best-Selling Author and Renowned Spiritual Teacher, Dr. Wayne W. Dyer, Presents His First Feature Film—The Shift.*

Watch *The Shift* with like-minded people. It's the story of the most important moment of your life—when you **stop striving** and **start arriving!** It's the choice you make to move toward a life that gathers up the pieces of your best, most fulfilled, most loving self. It's the moment when you start **living a life rich with meaning** and begin playing the music you came here to play!

*The Shift* shows us the path home, the path to rediscovering our *true self*, our *purpose*, and the *life of meaning* that is our true *calling*.

Come watch the film (120 minutes running time) and join in a group discussion the powerful shift from the ego constructs we are taught early in life by parents and society—which promote an emphasis on achievement and accumulation—are shown in contrast to a life of meaning, focused on serving and giving back.

*Facilitator: T. Vitanza-Salgine*

*Popcorn donated by Frank Kotowski,*
