

Summerland Church of Light, NSAC welcomes the return visit of

English Medium, Teacher Extraordinaire

ROBIN HODSON

- *President of the International Spiritualist Federation*
- *Director of Physical Mediumship circles for the past 23 years*
- *Has served Spiritualist organizations in Britain, U.S., Canada, Finland, Iceland & Sweden for 26 years*

Saturday, April 11 & Sunday, April 12

We are thrilled to have Robin return to the United States and are elated that he will be offering a workshop on Saturday April 11, the *Mediumship Development Workshop* (see separate flyer). He will be on the platform at service on Sunday April 12, providing the Spiritual Address and giving Spirit Messages, along with Rev. Richard P. Schoeller, who will be giving the Guided Meditation. After the service, Robin will offer a *Demonstration of Mental Mediumship* at 1 PM.

DEMONSTRATION OF MENTAL MEDIUMSHIP

Robin will offer a demonstration of Spirit Communication, usually about an hour and half in length. He does not guarantee all present will receive a message, but hopes the standard of his work will enable all to enjoy an afternoon with Spirit!

You will not want to miss this extraordinary chance to witness the precision and genuine skills with which Robin connects to loved ones from the other side.

Fees for the demonstration:

General public \$30.00	SCOL members \$25.00
