Shannon Taggart first became aware of Spiritualism as a teenager, after her cousin received a message from a medium who revealed startling details about her grandfather's death that proved to be true. In 2001, while working as a photojournalist, she began photographing where that message was received: Lily Dale, New York, home to the world's largest Spiritualist community.

Get ready for an enlightening time learning about Shannon's 17-year journey into physical mediumship & ectoplasm!

Fee for the workshop: Only \$20.00 for both church and non-church members
