Saturday,
August 15, 2015
10 AM–1 PM

120 Plant Ave., Hauppauge, N.Y.

Learn all about the seven **Hermetic Principles**—as taught by *Hermes Trismegistris* (in picture above, right, and directly to the left).

Hermes was said to be a representation of the Greek God **Hermes** and the Egyptian god **Toth** (shown above, left).

This is the basis for the study of **Natural Law** or the original seven Natural Laws. They are just as basic today as they were in the time of Abraham and Hermes.
