Tracy Murphy, the caretaker of Hydesville Memorial Park, will offer a short presentation on the park prior to the showing of the new film, The Spirit Rooms of Lily Dale.

This is a fundraiser where 100% of proceeds go to meet the \$18,480 Hydesville Endowment Matching Challenge Gift made by long-time NSAC member Alice L. Robertson. This challenge must be met no later than midnight on December 31, 2021.

Hydesville Memorial Park is the birthplace of Modern Spiritualism. The Endowment will serve to preserve this historical landmark for future generations of Spiritualists. We need your help - take the Hydesville Endowment Challenge - attend this and all fundraising events and spread the word!

You can also donate to the Hydesville Memorial Park Endowment Fund and help us meet the challenge!
